Legends at Jefferson, is that four or five wide

Chapel

A couple of things on Chapel:

First a thanks to Gregg and MIS for allowing us to set aside some time at the start of every Friday night to have chapel

Second a thanks to the drivers and families and team members that come up to #TurnOneChapel

Next I think it is worth going to www.teamjrm.com and reading some of the chapel messages. I hope you would do that. They are short thoughts on the verse out of Proverbs. We are in chapter 19 now. We are just touching on things and hopefully it helps us all to dig deeper

RV update

Cindy noticed that the brakes were not working like she would like them to and took the RV in for service. The 1993, well used, RV has some challenges and we are at the point of serious prayer as to what God would have us do next. At this point, it looks like we should put it up for sale and see if God wants to provide another opportunity for us to have an RV to use at the track for ministry and family. We are thankful for the years we have been given

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)
