

Team Jesus Racing Ministry

July 2021

Season #20 2021 As I look at the schedule and the events coming up we are half way through it already. It seems to be flying by. Although there has been several rainout we also have got some great events in.

Road America Sounds like it was a good first time event and hope that there will continue to be open doors for ministry for years to come. Make your plans to volunteer or to let others know about the opportunity for 2022. Let me know your interest and we can get you plugged in with the group directing the ministry at Road America.

Angel Park and a fan What a great day it was to go to a race with my wife and just go as a fan. I have to say when the first car went tumbling I really wanted to go check on the driver and with the team but I maintained my fan status. Spectacular sunset and great racing. Gregg McKarns and his team are doing a great job. I have to wonder if they could use a chaplain. With prayer meeting at church I can't fill that role but I do have to wonder.

Acts 20:24 But I do not consider my life of any account as dear to myself, so that I may finish my course (race) and the ministry which I received from the Lord Jesus, to testify solemnly of the gospel of the grace of God. (NASB1995)

Join us in prayer

Our greatest prayer is that there would be open hearts to the point of salvation. We are in close contact with hundreds of drivers, team members, staff from tracks and series a week and we long for their salvation as most are lost. Our hearts ache and yearn to see a turning, a repentance. Pray for chapel at MIS weather to continue or not.
