Acts 20:24: *However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me-the task of testifying to the gospel of God's grace.*(from NIV)

The Month in Recap

The month started with a regular Friday night of racing at Madison International Speedway and followed with a rain out and then two other Friday's of racing. I joined the Big 8 series at Jefferson and they run another very good race. We got there just before the last chance race and I was able to pray with the guys prior to the feature. Unfortunately, I missed several races due to work conflicts.

MIS chapels

This year one of the new outreaches has been chapel at MIS. We are gathering at 4:15 on Friday in the first turn pits stands and sharing from the Bible and then praying. I say thank you to those that have come so far and hope others will join. I have been really pleased with the numbers for a new outreach.

Health issues

There are many families dealing with health issues, major health issues. Let me share what I try to do to reach those families. I pray with them and visit them; I make phone calls, hospital calls, text Scripture encouragement, but most of all, I try to find Scripture to pray for them.
