Acts 20:24: *However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me—the task of testifying to the gospel of God's grace.* (from NIV)

Attention Pastors

We have set the date for the Faster Pastor Charity Race and are looking for Pastors to drive now. The race will be held July 27th at the Madison International Speedway. This year we will have two charities: The River Food Pantry and the Salvation Army Local Disaster Relief. We are hoping to raise funds and canned goods and hope to see you come out to the track and support your pastor and bring a canned good and an offering.

Thank you

Let me share the difference the RV has made. Last year the family was able to join me at a handful of events all year. With the RV we have been together at 11 events.

Back to the Mile

It was great to be back at the Milwaukee Mile and minister to ASA Midwest Tour, ASA trucks and the Big 8. What a great day!

Praises are many

- We praise the LORD for the RV and the family getting out. The kids are a big help in getting materials into the hands of fans, plus they enjoy the racing too.
- Praise the LORD for very good attendance at chapels. We continue to work through John and are on chapter 9 this week.
- Praise for being back to the Mile and having chapel there with Rob Albright
- Praise that God continues to provide for the ministry.
- Praise for opportunity to get to Golden Sands Speedway for the first time in many years and the first time in a ministry setting.

Materials

The girls handing out *True Success Newspaper*

We continue to make True Success Newspaper; NASCAR schedule tracts; Bibles; TJRM t-shirts; and other materials available. We also have a few decals left.

Pray with us please

- We continue to pray for salvation of those we serve in the racing community. There are many in great need. We are greatly burdened for the salvation of drivers, crews, staff, and families.
- There are also many we have contact with in need of healing.
- We need you to continue to pray for my work and having the time off. We have had two very good months. In July I will miss several events due to having to work.
- Pray that we get pastors to drive and funds are raised for the charities.
- Pray that there is ongoing safety for the drivers and crews. Much of the focus of what we do on race day is praying with the drivers individually for safety.
- We are asking God if the RV should be “wrapped” or large decal to identify us easier.
