## Rain and Racing

That is a bad combination. With all the rain we have had we have lost a couple races and had one shortened but it still allowed us opportunity to minister. We are glad to be there for the guys and gals and the families and teams that are involved in racing. In June we were able to get to both Jefferson Speedway and Grundy (Morris, IL). It was good to be at both as there were lots of opportunities to minister, unfortunately not the best circumstances for some of the teams. We are glad they were and are safe. It was a good reminder that God protects us

## WOW

What a great Father's day gift Cindy and the kids gave me. We have had some problems mechanically with the RV and they are now fixed and now we have this great decal to help identify us at the tracks.

## ARCAfest

July will include big events at one of the great racing venues in the country – The Milwaukee Mile. We are excited that ARCA Midwest Tour, Big 8, MASCS, ARCA Trucks plus the Vintage cars will all be racing July 8-9. Last year was a special event and I think this year will be just as good. Pray that we will have opportunities to share Christ as we interact with many.

## July

July 6<sup>th</sup> – Dells Super Lates  
July 8<sup>th</sup> and 9<sup>th</sup> – The Mile

## Praise

We have missed a couple of events this year but my work schedule has left a lot of open doors to be at events. Praise the LORD.

Don't forget to check out other devotionals at

I think the latest devo on the 4<sup>th</sup> of July is important as we think about where our citizenship really needs to be.

**Thanks for praying!**
