

# Team Jesus Racing Ministry

Acts 20:24: *However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me—the task of testifying to the gospel of God's grace.* (from NIV)

## *May 1<sup>st</sup> opener*

We started the MIS and ASA Midwest season off with chapel. It was a good group to start with and then we circled the pits praying with guys and preparing to get going. Pastor Scott from Your Choice Ministry had two volunteers that handed out about 600 pieces of Christian based motorsports newspapers and tract schedules. **Please pray** that those receiving the information would read it and respond to the gospel clearly presented in them. I was able to do the invocation and then prayed with several drivers prior to the race. It was a good safe day of racing.

## *Slinger*

I was scheduled to step in for Jim over at Slinger on the 15<sup>th</sup> but it was called due to bad weather. I am looking forward to getting back to Slinger, hopefully next month with the Big 8 group.

## *Iowa*

We had a special blessing of going to Iowa Speedway with the k&n East team of Tanner Whitten. Saturday we got out to the track and hung out with Tanner and others that we know. I joined in with the chapel for the k&n group. It was neat to be around that group and a new track.

## *MIS regular season opener*

May 22<sup>nd</sup> we kicked off the MIS regular season. We had a small devotional time. I shared off Psalm 24:3,4 about trusting in the Lord not in chariots. I have been thinking a lot about that lately. I prayed in the drivers meeting and the invocation. Cindy and the kids set up the table and tent and gave out things. I also gave away a Bible. **Pray** for those that received materials and the Bibles we gave out. **Pray** also that we have volunteers that come along side to help in giving out materials and serve at the track.

## *Memorial Day Weekend*

We served at MIS with an enduro and redneck round-up. It was a fun night of racing and then wrecking a bunch of stuff then fireworks. We prayed in the drivers meeting and the invocation and just hung out with the staff and family. Monday I headed to Columbus 151 and joined Big 8 for their race. Of course the focus of prayer was for families of fallen soldiers.

## *Final note*

Many of you have prayed for my work situation. I have been given my work assignment change and a schedule for the summer. There are several dates I had hoped to be at but will not due to work. Sorry, I will miss you at those events. As for the fall schedule, I do not know yet so pray that God keeps the door open for the ministry to continue.

Thanks for praying. Don't forget to check out new devotionals at [www.teamjrm.com](http://www.teamjrm.com)

Have a great day racin' in the SONshine!
