It's Almost Time

The days are clicking off faster than when you lead and just want the race to be over so you get the win☺ In just a couple of weeks there will be cars racing on the track. We have prayed much and have this list in mind for priority of ministry this summer. We hope to cover the Mid Am events first as they asked first. Cindy and I both think we need to be committed to Jefferson Speedway on Saturday nights and Madison International Speedway on Friday nights. We hope to cover a few ARCA Midwest events; Big 8 events; American Ethanol Truck events. We still could really use some help so we could loosen up some days to be able to tour some, balance family and balance rest. We are going to need serious prayer as this could be a draining summer.

Big Need

This is pretty small compared to the need Bill and Kathy have but we would like to let you know. As you know most of what we use for funds are from our personal funds. We are thankful for those that have come along side of us and you also know that we have always just tried to let God know our needs and He always prompts just the right person at just the right time and supplies them. Cindy thinks this is a time we should let our prayer supports know that there is a need. We took the RV in for a checkup. We have had problems with the generator and the furnace. They inspected it and found that the generator switch is bad and some wiring and heater fan is gone. They are talking quite a bit of expense.

Urgent Prayer Request!

We have just found out that Cindy's sister-in-law, Kathy, has an aggressive cancer that needs immediate prayer and medical attention. Pray for Bill and their son Joel. Please pray intentionally Wednesday, April 1 as that will be the day of the surgery. I have been praying Deuteronomy 32:3-4 for them.

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)
