June 2018

May's Highlight

I was able to get out to see my sister and her family. It is a great setting in the mountains (mountain rainbow = spectacular, Thank you LORD). This year was especially cool because I got to see my nephew race, we played a new card game that was super fun, there was a church outreach that I was able to join in going door to door with the gospel and offering prayer. Big time fun! There are a bunch more highlights too. Continue to pray for them.

The Season has Started

The race season is here. It seems to be a regular thing to have the first few events knocked out by weather and this year it has happened again. Rockford was too cold and snowy. Jefferson and MIS both lost the opening nights. But this past weekend was outstanding, ok, very hot for many but good racing.

Chapel Series

For the last several years we have gone verse by verse through Proverbs. What a great study! It only took a little over 100 lessons to get through it. SO I have been praying what should be next and had several ideas but as Manny and I drove out to the races we were thinking together and came up with Famous Chapters of the Bible. It will be tough because they are all good and famous in their own way. I think I have it narrowed down to the right amount for this year and we will see where it goes from here. Remember to check out the messages which are posted on the website

Prayer

See the family section for several things to pray for. Pray for the salvation of those in need. There are so many that are placing their faith in self or things that will not save them in the end. Also pray for an outreach I am involved with that seems to be much slower in developing then I had hoped.

RV update

We thought God had a use for the RV with another owner but they turned their interest in another direction so we still have it available if a ministry, church or school could use it.

Family Update

Great report from the doctor for Cindy as the numbers on the pre-cancer have not moved and the doctors are very encouraged!
Rayna starts her CEF training for summer ministry soon. We are still trying to put the pieces together for Rayna to go to Bible School (Enthnos360 formerly New Tribes Bible Institute)
Lonyea started a new job and is very excited. She is finishing up her Lacrosse season and continues with voice lessons.
Manny started a job.
Daniel had a great month as he was able to work a little at a horse ranch and ride. He loves the horses and is very good with them. And of course spending lots of time on the piano
Jeremiah injured his arm, elbow and had some post season time off of gymnastics.

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)
