

Team Jesus Racing Ministry

Acts 20:24: *However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me—the task of testifying to the gospel of God's grace.* (from NIV)

Prayer please

It has been a great season of ministry so far and as I write this we are about to head to Rockford for the National Short Track Championships. As you receive this it will have been a busy weekend I am sure as I work with Big 8; Mid Am; and other NSTC racers and teams.

Now for the prayer request. As it stands right now I am not able to get off work for Oktoberfest, the biggest week (end) of WI racing. Most the series I work with are there and hundreds of guys and gals we normally minister to. Pray that God would move on my bosses heart to allow me to be there Friday – Sunday as we would like to finish the race season there. This of course only if it is His will. Thank you for praying.

One more new track

It was an honor and privilege to get to another new event and new track. Last weekend we went to Elko, MN to the Thunderstruck end of the year event. Wow, what a top tier event and facility. If you get the chance to get there I would recommend it. The pits were full and we had several good sharing opportunities. A huge special thanks to Cindy as she drove home Saturday night so I could get some rest.

Jefferson

We were able to get to the two day show at Jefferson Speedway. It is always tough, hard nose racing and no difference this year. Pray for the owner of the track to open up to the ministry and more importantly to bring him to the day of salvation. He is a nice guy and runs a great show week in and week out but cold to the LORD.
