Thank you to LakeView Church in Stoughton

Eric Erickson of LakeView Church in Stoughton invited me to share my testimony, about the race ministry and a challenge to the guys of the church. What a great time. I have to mention first they serve great steak for breakfast! That room should be packed with guys. It was an honor and privilege to share with them. Thank you for the opportunity to share.

If you have a men's group, mission conference, youth group, or church service you would like me to share in please get a hold of me.

Wisconsin State Championships

Also last weekend was the WSC at Jefferson Speedway. It is always good to get to Jefferson and serve. Big 8 and MASCS put on great racing at a very good track. It really is the *ACTION* track. Pray that someone would have it placed on their heart to serve weekly at Jefferson and that the ownership would be open to someone to serve.

Help Needed

There are still tracks in need of chaplains. I would be glad to invest in the right person(s) and get them trained and started in the race ministry under Team Jesus Racing Ministry. You ask, "the right person"? The right person is the one called to the race ministry. One willing to hang out until the doors and hearts open to serve in whatever way they can, the one that desires to share God's Word in a respectful and patient way. If you know of someone or if you are that someone contact me and I would be glad to talk to you about getting started.

Big, Busy Weekends

Thank you for praying! I have my schedule and have the next three weekends off to be able to serve. That is exciting and a blessing. So we will be able to finish the season at the end of the year specials at the Dells, Madison, Rockford and Lacrosse.

Chapel

We continue to share out of the book of John. At Madison we will teach out of chapter 19. If I was to name the chapel series it would be *Echoes in John*. It is amazing the number of times John will echo something he has said or from another book of the Bible. After the season I will do a recap and share it in a newsletter and on the blog. At Rockford we will finish chapter 20 and 21. Hope to see you there.
