Big Shows are Here!

The regular season has come to an end and now it is time for the big end of the year shows. We always look forward to the events that we finish the season with. There usually are good ministry opportunities and chapels. It is a time to leave people with a hope and something to think about of eternal value. Pray that the message is caught and that there are hearts and lives that are turned to the LORD. Of course, pray for safe for all as they travel to and from the events and at the events. Pray there are open hearts that lead to good conversations drawing attention to the LORD. Our goal in the ministry in the racing community is to see other come to salvation and those that know Christ to draw near to Him.

Please continue to pray for Kathy as she lives out what God has for her and the cancer. Pray for Bill also that he stays focused on both Kathy and camp.

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)

What a cool way to end the first year of the McKarns' ownership of MIS. The fireworks are always great there. They capped a year of good racing with some extraordinary measures of safe and grace from God.

Thank you Gregg and Angie for your leadership and direction.

We hope the ministry opportunity continues and grows.
