Open Heart Needed

Preparation is vital to all race teams. It is also vital to TJRM. As we prepare we pray for open hearts and changed lives. We long to see others come to the point of salvation, to see lives changed, to see others freed from sin. We pray for the Word to be proclaimed clearly, for hope and the need of mercy and grace to go out. We pray other recognize their personal need and enter a personal relationship with Jesus as Savior, Lord, God of their life. We are involved in this ministry for this primary purpose – to see people saved.

Sponsorship Needed

One area I do not often mention is the need of sponsorship. In racing, tracks, teams, series all need funding from outside sources. The ministry is the same way. For the past several years we have had a church and a few individuals that have come along side of us and given to TJRM. Thank you very much. Much of the expenses is self funded. As you know God has given me work at the University of Wisconsin which means I am part of the group that will have an increase in insurance and retirement cost. I only say this to let you know we plan on continuing to be at as many events as possible as the church eldership is in support of the ministry too.

When we started the ministry one of the things will felt God impressing on us was that it was to be a family ministry and that Cindy and the kids would accompany me to as many events as we could.

Our greatest need continues to be prayer!
Please do pray for us.

Crew Needed

As we prayed about the 2011 season one of the things God seemed to be showing me was I need to stay focused on the teams, drivers, staffs and need others to help in the “fan” area. We have a table and tent and some really cool materials. Over the off-season we purchased some bibles, tracts, newspapers, and shirts. I am praying that there would be others that would come along side of us and be table-workers handing things out, answering questions, face painting, praying, helping as needed. Do you know of someone? Are you that someone?

Upcoming events

April 17th Rockford Spring opener, MASCS and Big 8

May 1st MIS/ ASA Midwest Tour opener

May 22nd opening day at MIS with all four weekly divisions racing.

Several other tentative events in May

Final note

Many of you have prayed for my work situation. Towards the end of last season it became more difficult for me to get to events as I was working very early days (up at 3:30am and working by 4:45) and weekends. This also affected church. I have continued to work these hours and have had to make tough chooses. God always answers prayer! Read that again. That does not mean that God answers prayer how we want. It appears that God had a practice lesson again for me and it also appears that there is an answer coming in a new work assignment. I cannot confirm for certain but it looks like my work hours will drastically improve. Thanks for praying. Don't forget to check out new devotionals at www.teamjrm.com

Have a great day racin' in the SONshine!
