May 2017

Prayer

We received an answer from God on the job, read below. Now we are stepping up prayer and asking God to open hearts to the place of salvation. We are also praying much for the other chaplains in Wisconsin and neighboring states. Of course there is much prayer for safety at the track and traveling for the many teams and miles they travel.

RV update

Not much to report other than Cindy and Manny wrote a letter and sent it out to dozens of churches in hopes to gain prayer partners and some financial support. We continue to have one church, our home church giving us a small monthly amount but all the rest coming from our own account.

Job Change

Really excited to announce a change in my job. Still on campus and with UW Housing but moving to another building. The change will include a change of days off from Friday off and every other weekend to Sunday off and rotating Saturday and Monday.

Cool "Blessing" for Manny

Manny was able to work with Lyle Nowak and his Mid Am team at Rockford. Lyle had a good day of practice and qualified well. In the heat he had an incident and tore up the car some. They had to work hard to get the car back on the track. They got back out just in time for the feature and ended up winning it. Needless to say, Manny was pretty excited about the weekend. He says a special thanks to Mr. and Mrs. Nowak for letting him be part of the team

One of my favorite things at the track is praying with each of the drivers, praying for safety and sharing Jesus
