## Looking for Help

We continue to look for help on a couple of fronts. 1) Help at the track. We have materials and things to hand out at the track(s) and the family has been great help, but, they are not able to make all the events. It would be really good to have some come along side to help in that area. 2) Need for prayer. Do you know someone that I could send the newsletter to that would join us in prayer? I would like to get those that pray for the salvation of the lost praying for TJRM and more importantly those in need of salvation. DO you know someone to add to the mail list? 3) There is still a need to find and train a couple people for Rockford to be chaplains there along with a couple other tracks looking for chaplains.

## Looking Ahead

The Faster Pastor Charity Race is August 12<sup>th</sup>. We have two very special charities that we are giving to this year – The River Food Pantry and the Oregon Police K9 Division. We are hoping for a large turnout and a great offering. Would you consider giving? I am not planning on driving this year but instead focusing on organizing and planning. Please let others know about this event.

## July recap

It was a good month of racing including 4 chapels at Madison International Speedway and two nights at Slinger. I always enjoy ministry at Slinger and the Nationals and the Big 8 Series raced at MIS and Slinger. Last month I had written about health concerns for several people and I would update you on two. In one, God has removed the threat at this time in and in another treatment is going very well. Let's continue to pray. We are also praying for the people of Norway.
