Big End of Month at MIS

There is a finish to the month of August at Madison International Speedway. On Sunday August 26th ARCA will roar into town and if it is like last year it should be a great show. Then at the end of week, MIS will host the well known Thundercat Fireworks, Super Late #3 race and the Mid-American Stock Car Series.

The Dells

It has been great to be welcomed at Dells Raceway Park. We have been able to make several races and it has been an honor and privilege to do the invocation and minister to the drivers. It was a special treat in July they had an evening honor service men and women.

Below you will see *pictures by Jeff Blaser*. Thank you Jeff for taking them and sharing them with us. I was thanking each of the men and women for serving.

Thank you

I want to thank the pastors for putting on a great show at the Faster Pastor Charity Race. We had a lot of fun again this year. Also, thank you to the Coker's for giving me a rocket. That 5 car was fast and it was fun to drive it again. The kids sang again and did a super job! And the offering was tremendous. The River and Salvation Army are grateful for the amount given.

Prayer and Praise

Please continue to pray for the ministry. As you know with my work this is a crunch time of the year. This year is compounded by the opening of two new buildings. Pray also for health of the family and include praying for my sister Donna. Pray and praise for open hearts as we have had several very good opportunities to share the gospel. Praise also as the kids and Cindy have handed out hundreds of True Success Papers and tracts. Pray that the message of the papers and tracts reach open hearts. Praise for chapel and a good group that gathers weekly as we study the book of John. Praise for a great offering at the FPCR. Praise for another safe season!

Chapel

As stated above, we have had a great season of chapels. We are working through the book of John in a survey manner. Highlighting a few verse out of each chapter. We are looking forward to the big end of the year shows and the chapels with them. Pray that I will be allowed the time off work to be able to get to them. The plan is to finish John chapter 20 and 21 at Rockford. As we study there have been many echoes out of John challenging us to love the LORD first and with all we have and do, and to love others. Obedience is also driven hard and often. It has been a fun and great study.
