July 2013

In association with:  
National Fellowship of Raceway Ministry  
Chaplain: Todd Christopherson

Acts 20:24: *However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me-the task of testifying to the gospel of God's grace.*(from NIV)

## ARCAfest @ The MILE!

We had a good three days of ministry at the Milwaukee Mile. It was good to be with Mid AM; Big 8; ARCA Midwest Trucks and ARCA Midwest Tour. We took time to speak with a lot of drivers and crews and encourage those of faith and share hope with those looking (whether they know it or not). The LORD granted safety and even though the main event was shortened, it was very good. I was able to pray with almost all the 180 plus drivers prior to them going out for qualifying. I prayed for safety in each of the five drivers meeting. And I was also given the privilege of doing the invocation at *THE MILE!*

## Our Heartbeat

As we go out to the tracks our hope and longing is to see people come to know Christ as their LORD and Savior. Much of the focus of the ministry is praying with the drivers and as I do I remind them that their talent and their protection comes from God. So please join us in praying for salvation and safety in the racing community. **THANK YOU!**

Here is an example of why we do ministry and have some of the opportunities that we have. The driver was ok and we praised God for safety.
