The Danger is Real

This last weekend it was very clear just how dangerous the sport can be. A driver in Iowa was severely injured and passed into eternity. At Jefferson there was a hard hit and ride to the ER. It is a reminder that as much as there is a love for the sport it is dangerous and any lap could be the last one. It helps us remember that none of us know when our last breath is and we need to be ready to face the LORD. Have you made a decision to follow Jesus and to surrender to Him as LORD? We can only be sure if we have followed His instruction and on His terms reached out to Him. No other way is safe only in Jesus as the Bible states in John 14:6 and confess Jesus is LORD as it states in Romans 10:9. Don't miss the checkered flag that really counts.

Update

Kathy continues in treatments. This chemo treatment was the hardest so far. She is very tired. Pray also for the kids at camp (in CA where Bill and Kathy live and work) that they have heard the gospel the last three weeks.

Other Prayer

As I walk the pits and amongst the crowd there and many who share needs and wants and concerns. Here is a sample just from last week. There is much to pray for and here are a few:

Pray for a daughter that is in rebellion and needs to come back to the LORD

Pray for a lady that had a stroke and is still in the hospital

Pray for a family that lost a young son

Pray for a family and track staff that lost a loved one
Pray for salvation for so many at the track that don't know their need. May God open their hearts to the need they have

Pray for a son that is ill and insight for the medical team that at this time can't find the reasons behind the illness

Pray for a friend in the same type of medical situation

Pray for safety of drivers and crews and staff at the races

The list could go on and on.
