August 2019

A Summer of Changes

On the home front the family has had some major changes.

Rayna finished her first year at Ethnos Bible Institute and did a GREAT job! This summer she continued to work for a school with a “after school care” program and her second year of Child Evangelism Fellowship. She has had three weeks of club and is doing great in a new area and greater role in the ministry. A huge praise is it looks like her next semester is paid for.

Lonyea worked at Culvers ; took a youth missions trip to FL; had a small graduation gathering and now is working at Word of Life in FL where she will attend the Word Of Life Bible Institute (Pray for Lonyea and Cindy as the transition has been tough the first couple of days).

Manny continues to work at Culver’s and spending time with friends.

Daniel is working at Culver’s and spends a lot of time at the ranch working with horses.

Jeremiah is doing his norm, playing with friends and gymnastics and is starting to look for a job.

On the race ministry front the big change was going back to the Milwaukee Mile. It was super to be there and provide ministry. Second on the list of big change would be the arrival of the new RV. Looking forward to using it with the end of the year shows coming up.

It has been interesting summer in another way. Opportunities continue to present themselves. It was cool that one of the young drivers (Bandolero driver) asked for prayer. I often will wait for drivers and teams to have me pray with them so that was cool to have a young one want that. I also had a veteran driver ask for coverage at CWRA so we are looking to get that group covered.

God often blesses us with spectacular sunsets at MIS
