As you can see it was a very busy summer for Team Jesus Racing Ministry. We pray there were nuggets of truth left behind as we shared God's Word and prayed for many.

### *Update*

Please continue to pray for Bill and Kathy. "Kathy has recovered from radiation. She did have a set back in the form of an infection. This is also the road to recovery. She is growing hair again. Every day she is getting stronger and doing more here at camp. "

### *Merry Christmas and Happy New Year*

As we look forward to Christmas I hope you are taking time to really think about the impact of Jesus' birth and His life. It is amazing to think about His love for us and that He would go to the extent He has to make the way of salvation open to us. NOW – will we respond in confessing our sin and repenting and crying out to Him. Will we willingly and humbly obey Him in the new year? We are all in need of a radical change of heart and life, revival in a mighty way. Late added note: I know there are some racing families that have lost loved ones in the last week. Please be in prayer for them as they grieve. Also, I know the holidays can be a time that is difficult for some, lack of sun light, cold temps, missing loved ones at the tree or table or in church. I lift you up in pray.

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)
