

Team Jesus Racing Ministry

July 2015

In association with:

Raceway Ministries (a national association of raceway ministries and chaplains formerly NFRM)

Chaplain: Todd Christopherson

July 4th Parade

OK, that was fun. We gave out over 1,000 tracts, over 500 church/Awana invitations and 3,000 pieces of candy with Scripture verses. Plus a bunch of the post cards Jean Paul had made for us. It was good. We had a good number of volunteers but could have used more. There would be a few things to change if we do it next year. We would focus more people on the invites and tracts and decrease the candy throwers.

Update

Kathy is into treatments and they are not easy but Bill and Kathy continue to be a GREAT witness to how good and great God is. I know others that are struggling with cancer and other illness that we continue to bring before God Almighty.

Other Prayer

The season has gone well so far and as with each season there are more opportunities than workers but a praise is a couple more guys have stepped up covering a few of the dirt tracks and the Dells. Continue to pray for workers.

Jefferson has been good but it has been a while since starting at a new track or series. I had forgotten how much patience it takes. We are hanging out and waiting for doors to open. Right now I am allowed to pray in the drivers meeting and hang out with the teams in the pits. Soon we will be asking if we can pray with the drivers individually prior to them going out to qualify or race.

RV ready to go to the parade

Cindy took this great picture as we turned the corner on to Holum Street. Look at the hundreds and hundreds in the parade and lining the street.

As I have looked at this it reminds me these are our neighbors and so many of them are not saved. It should break our hearts that so many are walking right into the flames of hell if they don't turn to Jesus for salvation in repentance.
