Acts 20:24: *However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me—the task of testifying to the gospel of God's grace.* (from NIV)

Some recap events

Families loss: MIS had a driver lose his girlfriend in an auto accident. I was able to be with them the day of and following. I shared with them the Scripture and presented God as comforter and the Sovereign Lord. Pray the Word would tug at their hearts and salvation would follow.

All Star race at MIS: We had a great time and a few opportunities to share. We also prayed with a large number of guys. We are praying for the Miller family as Roger (Scott and Mike's dad) is in the hospital with pneumonia.

Chapel at Road America: Nationwide held their first race at Road America. MASCS was one of the support divisions on Sunday. We were allowed a chapel and had over 20 people which is a good point to start with. We were also able to spend a lot of time with each of the teams.

Faster Pastor Charity Race at MIS: WOW thank you! Over \$4,000 was raised for the Oregon Food Pantry. We had a great time with the racing and all seemed to go well. I had a good time in the #87. I passed at the line to finish second in the heat race and then fourth in the feature (the tires were on tread).

Famous Bible Roads: Here is a little of what was shared at chapel. The Bible speaks of "road (s)" and "highway" over 125 times. We mentioned the Kings Highway; the Good Samaritan; Palm Sunday; Philip and the eunuch; Paul's salvation and then strongly emphasized Matthew 7:13,14 which speaks of the narrow road. We talked about how we can try to plan salvation, but only God makes the terms for salvation. It is only through Jesus Christ as LORD. We talked about how in America we can look to the king (president) instead of the King of kings (Jesus, God). I hope all reading this have placed their faith, trust and obedience in Christ Jesus.

Things to pray about

As you can see it will be a very busy month. **Pray** that I am very discerning on what to do and not to do. **Pray** that I see the opportunities that God puts before me. I am trying to know God's timing and when I am to share and not to share. **Thanks** to Doug and Julie and Road America for allowing us to minister at RA, including at chapel. **Praise** God for the great offering to OFP and the safety for the FPC. **Update** on the camper: **Thanks** to Cindy's brother and Dad as they are working on repairs and hopefully it will be useful soon. **Update** on the car: It is limping along but we are deciding what is needed for a vehicle. Please **pray** for us on that, as I do not do well discerning what God would have for us in this area. Continue to **pray for salvation** of drivers and team. **Pray** for safety as we drive, are at the track and safety for all involved in the races parallel with God's will. Praise the Lord that Manny (surgery on sinus, adenoid, ears) is doing very well along with Jeremiah (bike "accident").
