## *What a Blessing*

A special thanks goes out to the Mid American Stock Car Series. While we were at the Milwaukee Mile Doug Strasburg asked me to join them at a pre-race drivers meeting. It was a hectic date but I told him I would and then go to the CRA Drivers Meeting followed by the ARCA DM and then pray with the MASCS guys before they qualified. Much to my surprise they gave us a thank-you card with funds to go towards our expenses. Again, **THANK YOU so much for blessing us.**

## *Jefferson!*

It is good to get over to Jefferson and we were able to make it over last weekend with TUNDRA and MASCS. God has perfect timing and last weekend was no exception. Jefferson is a track we cannot be very open at and have to be careful and respectful to the owner not wanting an invocation. God allowed it to rain during practice so a group gathered at a hauler and we had a chapel. It was great to have over a dozen gather as we studied in Proverbs.

## *Sovereign God*

Prior to one race I prayed with one of the guys and we prayed about details and safety. A few minutes later he called me over and said God answered the prayer. He was belting up and there was a problem and due to the problem they searched around and found what could have been a major issue. It was a proof of God and His sovereignty.

## *The Mile*

I had the privilege to pray with most of the guys before they went out on qualifying and then before their feature The Mile. It was great to work with ARAC Midwest Tour, Midwest Trucks and MASCS.
