Memorial Day Weekend!

We had the pleasure to serve at three tracks and events in two different states. We got down to Illiana Motor Speedway for the first time. What a great half mile track. Kind of like a miniature Milwaukee Mile. Racing was really good. Lonyea and I got called into service to help with the score board but we were able to pray with the drivers in the two drivers meetings and then with many of the drivers before qualifying and racing. It is just good to hang out and wait for the opportunity to happen. Best part of the day was that I got to hang out with Larry Avery another chaplain and great guy. That was the third day of racing.

The first had a highlight also. Don Wickstrum was at MIS with John Lewis. John is a Pastor and author and had his book "*Making it to Heaven*". We gave out several copies and John gladly signed many of them. It was a privilege to be around the two of them.

Saturday we were at Jefferson Speedway and I reminded the guys and gals at the prayer time at the end of the drivers meeting that I am so proud of my 93 year old Dad who served in WWII and served this weekend in the honor guard and VFW flower sale. That is right, 93 and still serving! Love you Dad.

I reminded those about the many who have given and sacrificed – now compare to that to what Jesus did. He came to earth to serve, to die for sin He had not committed. He deserves for us to turn our hearts and lives over to Him as LORD and Savior because He is the Sovereign LORD God.

Also, another highlight was on Sunday I had the blessing of hearing Lonyea, my daughter, sing in church. It was a beautiful thing! Thanks Kidido.

Update

Here is the update on Kathy and Bill. Please continue to pray for Kathy, Bill and Joel too. Chemo has started and the effects are setting in. It is not easy for Kathy nor for Bill to watch Kathy battle. I am proud of how both have leaned into the LORD, reminded faithful and continue to trust God.

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)

At MIS just before chapel starts

It has been very encouraging to have a good number at chapel each week at Madison International Speedway as we continue to work through Proverbs this year. We are in chapter 10 and cover a couple verses a week but that is enough to chew on.

One of the privileges I have is that I get to pray with a lot of the drivers. Thanks Doug Hornickel for a great shot of John Nutley and I praying at Illiana Motor Speedway prior to the 50 lap feature.
