God Answering Prayer

You know that Cindy and Manny have prayed hard that God would allow us to have another RV. They have been waiting some time. We have had a couple that we thought would work but God quickly closed the door on them. Last week Cindy saw one and went to check it out. It was priced way too high for what we had in mind. There was a couple of large gifts some time ago that we put to the side, storehoused.

Sidebar: Storehousing is a wonderful principle from God and His Word that we don't see often enough.

Cindy talked with the lady and she agreed that her husband would have wanted it to be used in this way, a family and ministry. So with the amount we had set aside and dipping into our savings we now have an RV. If you would like more details, ask and we will fill in questions you might have. Here is a picture of it.

Thank you Mark!

Mark Melchiori is a great photographer that does much of his work at Jefferson Speedway and other tracks in the Midwest. Mark has an eye to capture the cars on track, emotional moments in victory lane and other things around the track. Here are a couple of great photos capturing the ministry we have at the track. I and other chaplains get the honor and privilege to pray with the drivers before they go out to qualify and at times prior to going on for feature races.
