Green, green, green

The season is off and running. At the Rockford opener we had a good chapel and started our study of Proverbs. (See the devotion at the web site) We got reconnected with many and met some new guys and teams. We were able to get some of the show in before it began to rain. Below are the Slacks.

Next was the Madison International Speedway opener with ARCA Midwest Tour and Trucks. We had a good day of ministry and reminded the crowd that Joe Shear would want them to know that there is a way to heaven and it is through Jesus Christ as LORD and Savior.

Keeping track of us to pray

We try to keep you posted via the newsletter but if you are like me a reminder is good too. I post some things on Facebook if you want to friend us. Also, I have a Twitter account, not that I understand it much, but it is @torchforjesus. We update racing events and prayer needs.

Sad News

At MIS I got time to talk to Bruce Mueller. I always look forward to speaking with him. He always seems to be smiling and knows so much about racing today and in past years. As owner of B&B engines he is super knowledgeable. I would have never guessed that this would have been the last conversation I would get to have with Bruce as he passed away last weekend. First our condolence go out to friends and family but second, it reminds us that we a) need to be ready for eternity; b) we need to remind people how we appreciate them; c) as believer we need to be sharing Christ at every opportunity God gives us.

Thank you for praying!
