

# Team Jesus Racing Ministry May 2016

In association with:  
Raceway Ministries (a national association of  
raceway ministries and chaplains formerly NFRM)  
Chaplain: Todd Christopherson

## *The Season is Started*

The season has started well with events at Rockford, Madison and Jefferson. We have had two good chapels and are continuing to work through Proverbs. If you are at the track we would like to have you join us. I was out of state for the weekend of May 13 and 14 and God saw fit to have both MIS and Jefferson cancel so I did not miss those two events. I did miss out on getting up to State Park. Pray for one of the ARCA Staff members who was injured.

## *Family Update*

Lonyea is now in a boot. The doctors are happy with her progress. If you see her she could use a word of encouragement.

Cindy's parents have now found some answers for her Dad and he seems to be on the mend but continue to pray for him and Bill and Kathy.

devotionals at

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)

*That is fast!*

**14.614 on a half mile is equal to 123 mph.**

That is what one of the 410 sprints did Friday night. To put it in perspective, go straight for a 3 count (seconds) around 150 mph than turn around an 18 degree bank turn and 3 count down the straight and turn again. WOW – fast!

## *Please Pray*

**Pray** that we can have an eternal impact

**Pray** for the salvation of the many we come in contact with that are not saved  
**Pray** that we can see the needs of those at the track

**Pray** that while we enjoy the sport, the environment is rough and expose to sin it great so pray that we are protected and we don't give in to sin

**Thank** the LORD that He has provided for us to be able to minister

**Pray** that God would continue to meet those needs

**Thank** God for the protection He has given to those involved in racing and ask Him to continue that protection

**Pray** that we would have discernment in what events to cover. I often have more than one event the tracks or series would like me at

**Pray** that God would guide our tongues and actions

**Pray** that God would increase and I would decrease. Each of us should be praying that

**Pray** that we would build relationships, old and new ones

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)
