New Tract

I was given a tract recently and we are excited to begin to hand them out. Pray that as we hand them out they are received and read and that people will be saved.

Pray that God would use them to draw people to Himself. (Just an update, we have started to hand out the tracts and have given sets to drivers who are handing them out. We have about 300 out so far and look forward to next season getting lots more out.

Thank you for praying!

Thank you

Is there someone who would join us in prayer? Would you please let them know about us? Thank you. **If you would like to hear more about the ministry** I would be glad to share in a men's group, Sunday school, small group, youth group, church service time or one on one.

Next Year

Every year at the end of the season we begin praying about the future and in particular salvation for so many in the racing community and the next season (2015). The enemy throws a lot of junk at us and this year is no different. We often cannot make a lot of plans until tracks and series release their schedules. With the many changes we don't know what will be open doors but it appears there will be many again next season. We really need discernment. We enjoy serving but it can get tough at times on the family, physically, spiritually. Of course there is also the financial piece. As you know we are primarily "tent makers". I do need to pause and say thank you. At the end of the season several unexpected gifts were given to us. I say all this to echo that we covet your prayers and insight.

Acts 20:24 But I do not account my life of any value nor as precious to myself, if only I may finish my course (race) and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. (ESV)
