The Big, Season-ending Event Recaps

Dells Travelers: The start of the season-ending events was the Travelers Championship at the Dells Raceway Park. It was a great day of racing and ministry with MASCS, ASA Sportsmen and the Extreme Sprints. A great devotional came out of the weekend as we thought about “extreme”. See the TeamJRM.com.

MIS Classic: We lost Mitch just before the weekend. He fought a valiant battle and he and his wife set a good example of love and marriage to the very end. We had over 200 cars for the Friday and Saturday event. It was hard racing and a few wrecks that were pretty severe but everyone came out ok. It was just great to get the races in, good weather, and to be able to pray with the guys. We had safety throughout the year and thanked God for it.

Rockford National Short Track Championship: We always look forward to the end of the year shows and this one is the middle of the three big ones. We had a good day Saturday in the windy, cool temps. There were a couple incidents that caused injury - we did follow up, and everyone is recovered now. We prayed with a large number of guys (and a couple gals), well over 100. On Sunday we had chapel and thanks to Gregg it was in the south side suites. We had over 20 in chapel and shared out of Psalm 142:6 and the desperate need each of us have daily - a desperate need for salvation and then for Him daily. It was cool the MASCS drivers meeting followed chapel so several dozen were in the room as I closed in prayer and emphasizes the desperate need for salvation. Then racing began I meet with teams and drivers, praying with many. I am also thankful to Gregg and Rockford Speedway for allowing an invocation prior to this great two day event.

LaCrosse OctoberFest: This is the big one! We got up early Saturday and started meeting with teams and drivers. After practice we started drivers meetings and I was given the privilege to pray over the ASA Midwest guys. Then qualifying started and we prayed with others and went over to the driver’s meeting with North Late Model Series and Big 8 Series. We remembered the passing of John and Sue McKarns. It was a good day and evening of racing. Then Sunday we had chapel to start the day and over 30 people came together with us. We went into the racing and it was a safe day which was highlighted with a win for Tanner Whitten. That was cool for us to see. The Whitten’s have been great supports of Team Jesus Racing Ministry and we deeply appreciate their support and others that have come along side of us in prayer and financial support.

Upcoming events

Next month newsletter: recap of the season

January 15th : Mid America StockCars Series Banquet

January 29th : Madison International Speedway Banquet

February : No Regrets Men’s Conference

April : Rockford opener

May : MIS opener

Things to pray about

Praise the Lord for the opportunities we were given. We **pray** for something of eternal value from what was done over those four events, and that God is honored and exalted, and that God’s Word is clearly dispersed.

Praise God that the camping experiment went well.

Pray we will be able to do more camping next year to help control the cost of ministry.

Pray that we would have discernment for next year since the work situation has not been resolved.
