Here are a couple of the reasons we do this

I'm glad to report all drivers were okay. It is a dangerous sport. As one driver put it, "Pre-Dale crash this would have been much worse". Part of the ministry is to comfort the drivers, teams and families involved in wrecks including follow-up phone calls and, or, visits. We always try to point them

to God's protection and the need we have of salvation and surrender to the LORD Jesus using the Scripture, prayer and sharing.

Celebrating Victory

We also get to celebrate in Victory. We try to encourage the driver, teams and families to give thanks to God for their success. We remind them often when speaking and praying with them, that it is the LORD that gives them the talent to drive and He gives us the finishing position in each race.

Praises and Prayer

Thank you for praying during the season this year. God provide much protection for the drivers.

Thank you for praying for the chapels. We surveyed the book of John. Several of the messages are on our blog and we have a recap to do either. If you have questions please ask. I would be glad to talk to you about them and discover together what God's Word has to say.

We are thanking the LORD for providing the RV. The family was able to help in many more events this year the ever before.

Pray for the decisions to be made in the off-season. Tracks and series have a lot of things to think about and make decisions on. Several could affect the direction that Team Jesus Racing Ministry takes in the future.

Thanks Doug! Great picture and memory. I enjoy serving at MIS, the Dells, and other tracks and with the Big 8 and ASA Midwest Tour but one of my more enjoyable places to serve is with Doug and Julie of the Mid American Stock Car Series. Doug and Julie run a great race series with tremendous drivers/teams and an outstanding staff. They work together to provide good racing and even more so teaching and learning lessons for life. Character is a big deal to Doug and Julie and is reflected by the drivers and teams. Thank you, Doug and Julie and drivers for the time your allow me to be around you and the series. Know that I am praying for you and the others in the racing community.
